David Norland is an Emmy-nominated English composer living and working in Los Angeles. Most recently he composed the score to the current HBO film "My Dinner With Herve" (HBO 2018) starring Peter Dinklage and Jamie Dornan.

His work with Emmy-winning director Sacha Gervasi includes the award-winning documentary "Anvil! The Story Of Anvil", (which won the IDA Best Feature award, an Emmy award, the Indie Spirit Best Doc award, and numerous other best doc awards around the world) as well as the score for "November Criminals" (Sony 2017) starring Chloe Moretz and Ansel Elgort. David Norland was also the music supervisor for the movie "Hitchcock" featuring Anthony Hopkins, Helen Mirren & Scarlett Johansson. Since 2010 he has composed much of the music for US broadcasting giant ABC's primetime news documentaries. His work for ABC is broadcast in the US and around the world on a daily basis.

With "Lost Watching" and "The Parting", Denovali is delighted to release two singles from the score of Sacha Gervasi's "November Criminals" followed by the complete Soundtrack in October 2021. Norland offers a combination of electronic influences and more intimate, minimalistic piano and string arrangements.

David Norland will be also releasing a series of further solo works via Denovali over the next years.
