After their highly praised debut record „I“ - called „a sparkling electro-jazz and cinematographic hybridization game“ and „refreshingly futuristic big band music“ - the french quintet returns with the new full length called „II“.

Notilus is back, more raw and free than ever, taking a journey through both evening shadows and luminous mornings, through long expanses of suspended time as well as hypnotic swathes of dancing vibes. It crosses vast tundras, ascends snowy mountain ranges, reaches swampy troubled waters bathed in eerie light, at the crossroad between Jazz, Techno, Ambient music and self-reflexion.

The Notilus Orchestration:

Philippe Rieger : machines
Mathieu Goust : drums & percussions
Guillaume Nuss : trombone & effets
Christophe Rieger : saxophone & effets
Paul Barbieri : cornet, synthétiseurs
